Thornes is a top shop

IF you live in Wiveliscombe it is unlikely that you think shopping can only be done in mammoth supermarkets, frantic shopping malls or on line; we are lucky enough to have a some good local businesses who do their very best to supply our needs.

The Messenger must add its congratulations to all the plaudits that Thorne's have received for being nominated by local resident Nigel Whittaker, founding partner Reputationinc, to be one of Retail Week's 100 Shops You Must Visit.

To quote Retail Week: **THORNE'S THE BUTCHERS** "Living proof that well-run local small stores have nothing to fear from supermarkets."

Thorne's has been nominated for other prestigious awards following all the publicity in the local and national media.

We know that at Thorne's we are guaranteed excellent, friendly service, delicious meat, pies, cheeses and eggs, we know where it all comes from and there is the added value of a good gossip with friends and neighbours as we stand in the queue.

Mike, with typical modesty, sums up the success of Thorne's when he says: "For us it is all about meeting people who come into the shop, and we have always believed the customer is the priority."

Yes, Mike, we all know that's exactly what you, Rosemary, Jason, Jonathon and the team think because that's how you treat everyone who walks through the door.

Footsteps on the Recreation Ground

THE Recreation Committee Chairman Bryn Wilson reports that the ground has seen more activity this summer than for many years.

The new play area is a magnet for families and the surrounding area has become a popular venue for children's parties.

The Rec Committee is delighted that so many local people are enjoying Wivey's recreational gem.

The view from the summerhouse is also encouraging. The building is, generally, being left in a much tidier state than in the past. The individuals who use it for social purposes are, reportedly, helping to overcome the litter problem by making use of the bins. Keep up the good work!

There might have been a few recent casualties among the younger individuals who use the Rec. A group of them were invited to attend a paint-ball 'combat' by members of the local Police force. It would be interesting to record which team scored the most hits!

And finally... some good news for our shock absorbers; the Rec Committee, relying on its own financial reserves, and after exhaustive legal investigations into rights of way etc, etc, have engaged contractors to re-surface the Rec's drive and car park. The work is due to start this autumn.

Congratulations to those whose prudent financial management has made this possible.

MP opens new Tuckers Meadow development

Our MP Jeremy Browne, flanked by senior officers of Magna West Somerset Housing Association with District Councillor Mary Whitmarsh, officially opening Tucker's Meadow, watched by residents and others on September 13th. The estate is named after Mr Tony Tucker, nephew of the late Sydney Pulsford, who made it possible for Magna to purchase his land and encouraged every stage of the development.

Farewell to Dr Jackie James

LISTER House Surgery sadly said goodbye to Dr James at the end of July. She had a good send off on 28th July from the patients at the Community Centre.

She was pleased and touched by the kind wishes and generous donations of £1065.80 received. A big thank you to all those of you who contributed.

Thank you from J and B Mosley

TO all the many people who enquired about Brian's illness in hospital, we would like to thank them for all their good-will messages and the many cards received. He is now making a slow but sure recovery.
